Volume 8, Number 4

April 9, 2009

*Best in Versatility for 2009 is Can. Ch. Devonair's Mysterious Ellery, with John Heffernan, Versatility Chair and owner handler Heather Dansereaux*

## It's No Longer A Mystery: Ellery's Tops in Versatility

This year, fifteen whippets competed in lure coursing, conformation, agility and rally for Versatility. Ellery, the ultimate winner, is nine years old, and performed well in all the events, handled by his owner, Heather Dansereaux. He was BoB at last year's ASFA II.

Congratulations to all the winners and participants, who proved just how versatile whippets can be.

## OK Fanciers, We're Going to Need More Trophies

This year the Triathlon included 29 entries with all dogs competing in lure coursing, obedience and conformation. After combining the three scores from all events, this year's winner was "Midori," owned by Irene Mullauer. This win was extra exciting for Mullauer, who has won the triathlon 2 times prior. Therefore, Mullauer retires the Louis Pegram Challenge Trophy and the Bettie Crawford Memorial Trophy. Midori is a young bitch at 14 months of age and was first-time entered in obedience, where she went High in Trial and also retired all the obedience Challenge trophies as well. Congrats to Irene and Midori for an incredible few days at the AWC National 2009!
