

Best in Futurity Goes to Callie!

by Dr. Todd Miller

Futurity judge Donna Lynch, Hamrya Whippets, found the black and white bitch Snow Hill Calliope, "Callie," from the 8-10 mo bitch class, to be most deserving of Best in Futurity. Breeder/owner Suzanne Hughes, DVM, has bred dogs for more than 20 years, starting with Dalmatians and has had a successful whippet breeding program for about seven years. Callie is a result of breeding Ch. Sporting Field Hot Topic to Ch. Snow Hill Mind Body & Soul JC, "Joss." With Joss, Hughes felt she had a solid bitch who needed more leg and a longer neck. She admired the sire for his side gait, outline and length of neck and wanted to bring into her breeding program the Sporting Field classic type. Callie's litter includes four pointed pups, two with majors and Best of Breeds from the classes and Group placements, all at a mere nine months of age. In addition to the Futurity winner, Dr. Hughes is the breeder of two other Futurity class winners; Callie's littermate Snow Hill Hot Stuff in 8-10 mo dog and Wilhaus Snow Hill Slice O' Heaven from the 10-12 mo bitch class. Dr. Hughes states that she has always bred for solid fronts as a first priority. Then, she looks for overall balance and side gait as a close second priority. She states that if you breed solid fronts generation after generation, then you can add the details later. This has proven to be effective for her breeding program as she proudly takes home the Best in Futurity Prize!
